Saturn

Sleeping at Last

Em C G D

Em C G D
You taught me the courage of stars before you left
Em C G D
How light carries on endlessly, even after death
Em C G D
With shortness of breath, you explained the infinite
Em C G D
How rare and beautiful it is to even exist

Em C
I couldn't help but ask for you to say it all again
G D
I tried to write it down, but I could never find a pen
Em C
I'd give anything to hear you say it one more time
G D
That the universe was made just to be seen by my eyes

Em C
I couldn't help but ask for you to say it all again
G D
I tried to write it down, but I could never find a pen
Em C
I'd give anything to hear you say it one more time
G D
That the universe was made just to be seen by my eyes

Em C G D
With shortness of breath, I'll explain the infinite
Em C G D
How rare and beautiful it truly is that we exist
